Thermal Transfer Ribbons

TECHNICAL DATA SHEET

LABELS DIRECT

R510C Durable Color Resin

PRODUCT DESCRIPTION

R510C offers the same incredible durability as our R510 Ultra Durable Resin. R510C is available in four standard colors and is the industry's toughest color resin ribbon capable of handling extreme environmental labeling with unmatched scratch and solvent resistance. This ribbon is perfect for card printing applications.

RECOMMENDED SUBSTRATES

Polyester, polypropylene, polyimide, PVC cards, PET cards

PERFORMANCE CHARACTERISTICS

- Toughest resin ribbon on the market

- Unmatched in abrasion and solvent resistance

- UL recognized (blue, red, green)

- High density printing ensuring edge definition

- Specially formulated backcoating for printhead protection

RECOMMENDED APPLICATIONS

AGENCY   ASSET TRACKING   AUTOMOTIVE

CHEMICAL DRUM   CIRCUIT BOARD   COLOR

ELECTRICAL COMPONENT   EXTREME ENVIRONMENT   PRODUCT ID
